

Alex Gitonga

Full-Stack Web Developer

Self-taught, versatile full-stack developer with a strong track record of delivering secure, scalable, and user-centered digital products. Currently building and leading platform delivery at Mtaji — spanning full-stack engineering, applied AI, GIS, growth marketing, and design. I bring clarity, structure, and results-driven thinking to every project.

EXPERIENCE

MTAJI Full-Stack Developer

12/2024 - Present

- Build and maintain full-stack web applications using **React** and **PostgreSQL**, from schema design through UI implementation.
- Head production of the **Faida platform**, owning technical direction, delivery timelines, and quality across the product.
- Build and train **AI models and chat experiences** tailored to individual user preferences.
- Apply **GIS specialization** to power the Mtaji tracker's location-based features.
- Drive **web and app performance optimization** for speed, scalability, and reliability.
- Run **Google Ads** and **Meta Ads** campaigns alongside **SEO** strategy to grow reach and conversions.
- Craft **unique, brand-forward design styles** across product and marketing surfaces.
- Collaborate cross-functionally to translate product requirements into scalable, maintainable code.

FREELANCE FULL-STACK DEVELOPMENT Developer — Remote

03/2022 - Present

- Engineered responsive, production-grade web applications using **React**, **Node.js**, **MongoDB**, and **Firebase**, from architecture through deployment.
- Designed intuitive UIs, prototyped hardware-integrated features, and documented multi-system products for clients.
- Delivered a full-stack **real estate platform**, a **ticketing platform** with integrated **M-Pesa & Stripe** payments, and IoT-driven products including Safesi (AI wearables) and Smata (smart water metering).
- Built secure admin dashboards, RESTful APIs, authentication systems, interactive maps, and dynamic filtering.

PERSONAL PROJECTS

Homer — Real Estate Platform

11/2023 - Present

Modern, responsive real estate platform built with React and Tailwind CSS, featuring advanced property filtering, animated UI, multi-image sliders, and a polished browsing experience for rentals, sales, and listings.

Tiqo

02/2024 - 03/2024

Tribal-inspired ticketing platform for Kenyans, offering a fun, user-friendly way to discover, purchase, and manage event tickets with seamless M-Pesa and Stripe integration.

TechBazaar

04/2024 - 04/2024

B2B e-commerce platform for bulk purchase of electronics and tech accessories.

StorySphere

06/2024 - Present

Interactive storytelling platform letting users explore immersive, 360° audio-visual stories, combining narration, sound, and visuals into rich, explorable experiences.

Project Fishing

12/2024 - Present

Decentralized blockchain platform tracking and verifying the seafood supply chain end-to-end, using immutable records and smart contracts to prevent illegal fishing and promote sustainability.

EDUCATION

Diploma in Film and Journalism

Jodan Institute of Technology

09/2017 - 10/2020

SKILLS

Front-end: React, JavaScript, HTML, CSS, responsive design
Back-end: Node.js, Express, PostgreSQL, MongoDB, REST APIs
AI: Building & training AI models tailored to user preference
GIS: Geospatial tracking & location-based systems
Growth: Google Ads, Meta Ads, SEO
Design: UI/UX principles, unique design styles, accessibility, cross-browser compatibility
Performance: Web & app optimization
Tools: Git, GitHub, Figma, Vercel, Netlify
Production: Video post-production and editing
Soft Skills: Problem solving, team leadership, collaboration, attention to detail, adaptability

ACHIEVEMENTS

Smata

02/2025 - Present

Smart water metering system using IoT to monitor and manage water usage in real time — enabling automated billing, leak detection, and remote control capabilities.

Wateki

11/2024 - Present

Cutting-edge tech website showcasing innovative digital products and solutions, serving as a hub for creativity, technology insights, and portfolio growth.

CERTIFICATES

Diploma in Film and Journalism

09/2017 - 10/2020

ORGANIZATIONS

Wateki
